

RING SIZE GUIDE

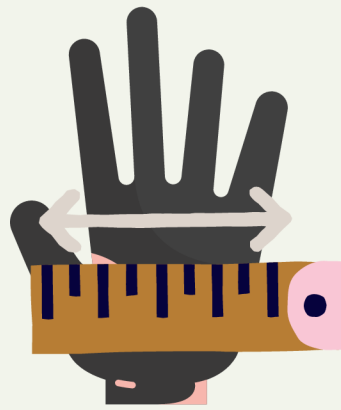

1

How to measure using an existing ring

- Choose a ring that already fits your finger well.
- Measure the inner diameter of the ring in millimeters (mm).
- Use the measurement given below to match the size of your ring to the closest size in mm

2

Hands on approach

- Use a measuring tape, string, or strip of paper to wrap around the finger you'll wear your ring on, and mark where the ends meet with a pen or marker.
- Lay your string or paper strip on a flat surface and use a ruler to measure the length in millimeters (mm).
- Measure during the end of the day, as your finger may be at its largest.
